Project News

"Constructing the future.....today"

Name of organisation:	Morrison Construction

Address of organisation:

Singleton House
Charter Court
Phoenix Way
Swansea

Details of service provided:

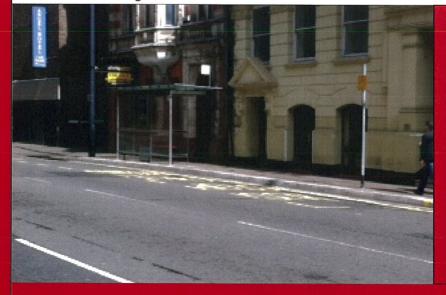

Cardiff Bus Infrastructure Works

The scheme included the installation of new bus stops and associated drainage, kerb, paving and street furniture works to a number of sites within the city. A high level of communication and co-ordination was maintained with the Main Contractor and the public throughout the project which eliminated any potential problems and ensured that all the works were handed over on time and budget.

Works Consist of:

SA7 9DD

- Drainage Works
- Substructure Works
- Infrastructure Works
- Hard & Soft Landscaping Works inc public realm enhancements
- Highway Surfacing
- White Lining
- Traffic Management
